Basic Information

- Place of Origin: China
- Brand Name: Minlong
- Certification: ISO9001
- Minimum Order Quantity: 1
- Price: Negotiation
- Packaging Details: Wood case
- Delivery Time: 10-15 days
- Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram
- Supply Ability: 1000 pieces per week

Product Specification

- Net Weight: 500kg-3000kg
- Cooling System: Air/Water
- Certificate: ISO9001/CE/SONCAP/EPA
- Starting System: Electric/Manual
- Type: Silent Diesel Generator
- Fuel Consumption: $\leq 210\text{g/kw.h}$
- Frequency: 50Hz/60Hz
- Warranty: 1 Year
- Highlight: **50L Silent Type Diesel Generator, Silent Type Diesel Generator Set, ISO9001 Silent Type Diesel Generator**

Product Description

Product Description:

Our Cummins Power Diesel Generator is a silent type, open type diesel generator with a dimension of 1000*800*1200mm. It can generate power with a frequency of 50Hz/60Hz and single/three phase. The fuel tank capacity can range from 50L to 1000L. This Cummins Power Diesel Generator is ideal for emergency and standby power with its superior soundproofing, vibration reduction, and fuel efficiency. The generator is designed for maximum durability and reliability. It is equipped with a fuel tank and an electric starter for efficient and reliable operation. It also has an automatic shutdown system for safety. This Cummins Power Diesel Generator is the perfect solution for your power needs. With its silent operation and superior performance, it is the ideal choice for any application that requires a reliable source of power.

Features:

Cummins Power Diesel Generator
Silent Type Diesel Generator Set
Silent Type Diesel Generator
Fuel Tank Capacity: 50L-1000L
Cooling System: Air/Water
Net Weight: 500kg-3000kg
Fuel Consumption: ≤ 210 g/kw.h
Certificate: ISO9001/CE/SONCAP/EPA

Technical Parameters:

| Product Attributes | Product Details |
|--------------------|--|
| Starting System | Electric/Manual |
| Power | 5kW-3000kW |
| Cooling System | Air/Water |
| Warranty | 1 Year |
| Frequency | 50Hz/60Hz |
| Noise Level | ≤ 85 dB(A) |
| Voltage | 220V-440V |
| Dimension | 1000*800*1200mm |
| Certificate | ISO9001/CE/SONCAP/EPA |
| Fuel Consumption | ≤ 210 g/kw.h |
| Special Feature | Silent Type Diesel Generator, Cummins Power Diesel Generator |

Applications:

Minlong offers customers the best in class open silent type diesel generator sets. The brand's diesel generator sets feature a range of power output from 5kw to 3000kw, with a frequency of 50Hz/60Hz and single or three phase options to choose from. All units are ISO9001 certified to ensure the highest standards of quality and safety. The net weight of the diesel generator sets range from 500kg to 3000kg.

To ensure the best performance, each diesel generator set is backed by a one year warranty. Minlong's diesel generator sets are the perfect solution for a variety of applications, such as generating backup power for homes and businesses, powering construction sites, or providing electricity to remote locations. The diesel generator sets are also suitable for use in harsh environments where electricity is needed but not available.

Customers can purchase Minlong diesel generator sets in minimum quantities of one unit. The price is negotiable and delivery time is 10-15 days. Payment terms include L/C, D/A, D/P, T/T, Western Union, and MoneyGram. The diesel generator sets are packaged in wood cases for safe transport and delivery. With a weekly supply capacity of up to 1000 pieces, Minlong can meet the demands of any customer.

Customization:

Welcome to choose our **Silent Type Diesel Generator**. Our Silent Type Diesel Generator is produced by **Minlong**, a trusted brand in China. It is certified by ISO9001, and with a minimum order of 1, the price is negotiable. The delivery time is 10-15 days, and the payment terms are L/C, D/A, D/P, T/T, Western Union, MoneyGram. We have a supply ability of 1000 pieces per week. This generator is available in both single and three phase, and has a noise level of $\leq 85\text{dB(A)}$. It is also certified by ISO9001/CE/SONCAP/EPA, and has a net weight from 500kg-3000kg and fuel tank capacity from 50L-1000L.

Choose our **Silent Type Diesel Generator Set** for sale and you won't be disappointed. We guarantee you a high quality product with the best customer service. Contact us now for more information. We look forward to working with you!

Support and Services:

Silent Diesel Generator Technical Support and Service

24/7 emergency service

On-site installation and maintenance

Remote technical support

Regular preventative maintenance programs

Extended warranties

Spare parts and replacements

Packing and Shipping:

Silent Diesel Generator Packaging and Shipping:

The Silent Diesel Generator is packaged in a strong, durable box that is designed to withstand the rigors of shipping. The box includes additional packaging materials to further protect the generator from potential damage during shipment. The generator is then placed on a pallet and strapped securely in place. It is then wrapped with a plastic wrap to protect it from any external elements.

The generator is shipped via ground transportation and requires a signature upon arrival. A tracking number is provided for customers to track the generator's progress during shipment. Upon arrival, customers should inspect the generator to ensure that it has not been damaged during shipment.

FAQ:
