

20-1000kW Air Cooled Generator Diesel Equipment 50Hz 60Hz Frequency

Our Product Introduction

for more products please visit us on diesels-generators.com

Basic Information

- Place of Origin: China
- Certification: ISO9001
- Minimum Order Quantity: 1
- Price: Negotiation
- Packaging Details: Wood case
- Delivery Time: 10-15 days
- Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram
- Supply Ability: 1000 pieces per week

Product Specification

- Frequency: 50Hz/60Hz
- Product Name: Diesel Generator
- Phase: 3 Phase
- Speed: 1500rpm/1800rpm
- Fuel: Diesel
- Efficiency: High
- Warranty: 1 Year
- Starting System: Electric Start
- Highlight: **1000kW Air Cooled Generator Diesel, Air Cooled Generator Diesel**

Product Description

Product Description:

Diesel Power Generator is a kind of generating machine with high efficiency and reliable performance. It is powered by diesel fuel and can provide a power output ranging from 20 to 1000 kW. It features 400V/230V voltage and 1500rpm/1800rpm speed. The generator is equipped with a 1-year warranty and has been proven to be reliable and safe in operation. Diesel Generating Machine is a perfect choice for those who need a reliable, powerful and efficient power generator set.

Features:

Product Name: **Diesel Generator**

Voltage: **400V/230V**

Efficiency: **High**

Controller:

Frequency: **50Hz/60Hz**

Noise Level: **Low**

Diesel Power Generator, Diesel Generating Equipment, Diesel Generating Machine

Technical Parameters:

Attribute	Value
Phase	3 Phase
Starting System	Electric Start
Power	20-1000kW
Warranty	1 Year
Efficiency	High
Controller	
Noise Level	Low
Speed	1500rpm/1800rpm
Product Name	Diesel Generator
Voltage	400V/230V

Applications:

Diesel Generator is a brand of reliable generating equipment that is certified by ISO9001. It is a high-efficiency power generator that produces low noise levels, making it suitable for many indoor environments. This diesel generator is available in a three-phase configuration with either a 50Hz or 60Hz frequency, and with a voltage of either 400V or 230V. This generating equipment is designed for easy installation and simple maintenance, and is built to last with a minimum order quantity of just one piece. It also has a competitive price and delivery time of 10-15 days. Additionally, Diesel Generator is capable of supplying up to 1000 pieces per week and can work with a variety of payment methods, such as L/C, D/A, D/P, T/T, Western Union, and MoneyGram. It also comes with a wood case for safe, secure packaging and delivery.

Customization:

Diesel Generating Equipment

Supply Ability: 1000 pieces per week

Speed: 1500rpm/1800rpm

Phase: 3 Phase

Fuel: Diesel

Noise Level: Low

Voltage: 400V/230V

Customized Diesel Generating Equipment & Diesel Generating Machine with Low Noise Level.

Support and Services:

Diesel Generator Technical Support and Service

provides a wide range of technical support and service for its diesel generator range. From expert installation and commissioning to after-sales service and maintenance, can help you get the most out of your diesel generator system.

Installation and Commissioning

provides expert installation and commissioning services to ensure that your diesel generator is installed, commissioned and operating safely and efficiently. Our experienced technicians will work closely with you to ensure that your diesel generator is up and running quickly and reliably.

Maintenance and Service

provides a comprehensive maintenance and service package that covers all aspects of diesel generator maintenance and servicing. Our experienced technicians can provide regular maintenance and service checks to ensure that your diesel generator is running safely and efficiently.

After-sales Service

offers a range of after-sales services, including parts supply, repair and troubleshooting. Our experienced technicians can provide fast and efficient support to ensure that your diesel generator is running reliably and efficiently.

Packing and Shipping:

Diesel Generator Packaging and Shipping:

The product is packaged in a standard wooden box to ensure safe transportation.

The box is lined with foam to protect the product from shock and vibration during transportation.

The box is labeled with the product information and shipping address.

The box is sealed with tape to prevent tampering during transportation.

The product is shipped via air, sea, or land depending on the customer's preference.

FAQ:

Q: What is the brand name of this product?

A: The brand name of this product is .

Q: Where is it made?

A: This product is made in China.

Q: Does it have certification?

A: Yes, this product has ISO9001 certification.

Q: What is the minimum order quantity of this product?

A: The minimum order quantity of this product is 1.

Q: What is the price of this product?

A: The price of this product is negotiable.
