

Automatic Manual SDEC Diesel Generator Equipment Air Water Cooling System

Our Product Introduction

for more products please visit us on diesels-generators.com

Basic Information

- Place of Origin: China
- Brand Name: Sdec
- Certification: ISO9001
- Minimum Order Quantity: 1
- Price: Negotiation
- Packaging Details: Wood case
- Delivery Time: 10-15 days
- Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram
- Supply Ability: 1000 pieces per week

Product Specification

- Fuel: Diesel
- Warranty: 1 Year
- Voltage: 220V/ 380V/ 400V/ 415V/ 440V/ 480V
- Type: Diesel Generator
- Frequency: 50/60Hz
- Protection System: Overload/High Temperature/Low Oil Pressure
- Starting System: Electric/Manual
- Power: 10-1000KW
- Highlight: **Automatic SDEC Diesel Generator,
Manual SDEC Diesel Generator,
Water Cooling Manual diesel generator**

Product Description

Product Description:

SDEC Diesel Generating Equipment is an ideal choice for reliable, efficient and long-lasting power generation. Featuring a diesel-fueled engine, electric and manual starting systems, low noise levels, air or water cooling systems, and a comprehensive protection system, the SDEC Diesel Generating Unit is designed for maximum power output, stability and performance. The protection system includes overload, high temperature and low oil pressure safeguards, providing peace of mind in a variety of applications. With SDEC Diesel Generating Equipment, you can be sure of reliable power and superior performance, with minimal downtime.

Features:

Product Name: SDEC Diesel Generator
Type: Diesel Generator
Control System: Automatic/Manual
Warranty: 1 Year
Brand: SDEC
Voltage: 220V/ 380V/ 400V/ 415V/ 440V/ 480V
Highly efficient and reliable SDEC diesel engine generator
Sturdy and durable SDEC diesel generating equipment
Low noise and vibration SDEC diesel generator

Technical Parameters:

Parameters	Data
Speed	1500/1800rpm
Cooling System	Air/Water
Starting System	Electric/Manual
Noise	Low
Frequency	50/60Hz
Control System	Automatic/Manual
Brand	SDEC
Fuel	Diesel
Voltage	220V/ 380V/ 400V/ 415V/ 440V/ 480V
Protection System	Overload/High Temperature/Low Oil Pressure

Applications:

SDEC Diesel Generator

SDEC diesel generator is a reliable source of power for a variety of applications. It is a Chinese brand with ISO9001 certification and a minimum order quantity of 1. It is equipped with a diesel engine that is capable of producing 10-1000KW of power and features low noise levels and an air/water cooling system. It also offers an automatic/manual control system. The price of the generator is negotiable and it is available in a wooden case. It has a supply ability of 1000 pieces per week and can be delivered within 10-15 days of purchase. Payment terms include L/C, D/A, D/P, T/T, Western Union, and MoneyGram.

SDEC diesel generator is ideal for a variety of applications such as emergency power, residential and commercial use. It is designed to be reliable, efficient and durable. Its advanced technology ensures that it can operate in harsh conditions and offer the most efficient power output. Additionally, it is easy to maintain and operate, making it an ideal option for those looking for a reliable power source.

If you are looking for a reliable, efficient and durable power source, then SDEC diesel generator is the perfect choice. With its advanced technology, low noise levels and air/water cooling system, it is the perfect option for your power needs.

Customization:

SDEC Diesel Generator is the highest quality diesel generating equipment, providing reliable performance and long service life. SDEC is a leading brand in the diesel generator industry, producing high-quality diesel generator sets with excellent performance and reliability. SDEC diesel generator sets are certified by ISO9001, with a minimum order quantity of 1, and a superb warranty of 1 year. Our diesel generator sets are available in automatic/manual control systems, with a frequency of 50/60Hz. The price is negotiable, and the packaging details are wood cases. Delivery time is 10-15 days, and we can supply up to 1000 pieces per week. Payment terms include L/C, D/A, D/P, T/T, Western Union, and MoneyGram. Choose SDEC Diesel Generator for reliable and cost-effective diesel generating equipment.

Support and Services:

SDEC Diesel Generator Technical Support and Services

At SDEC, we are committed to providing the highest level of technical support and services for our diesel generator products. We offer comprehensive solutions for all your needs, including:

- Engine maintenance and repair
- Fuel system maintenance and service
- Generator control system support and troubleshooting
- Electrical system diagnostics and repair
- Engine performance tuning and optimization
- Replacement parts and components
- On-site service and installation
- Remote monitoring and diagnostics
- 24/7 customer support

Our team of experienced technicians and engineers are available to provide the best possible technical support and services for your diesel generator. We are committed to providing our customers with the highest level of service and support. Contact us today to learn more about our diesel generator technical support and services.

Packing and Shipping:

SDEC Diesel Generator Packaging and Shipping:

- The generator is securely packed in a wooden crate and wrapped in a waterproof cover.
- The crate is then secured using robust metal bands and braces.
- The exterior of the crate is labeled with the relevant export documentation.
- The generator is shipped via ocean freight.

FAQ:

Q: What is the Brand Name of SDEC Diesel Generator?

A: The Brand Name of SDEC Diesel Generator is Sdec.

Q: Where is the Place of Origin for SDEC Diesel Generator?

A: The Place of Origin for SDEC Diesel Generator is China.

Q: What is the Certification for SDEC Diesel Generator?

A: The Certification for SDEC Diesel Generator is ISO9001.

Q: What is the Minimum Order Quantity for SDEC Diesel Generator?

A: The Minimum Order Quantity for SDEC Diesel Generator is 1.

Q: What is the Price for SDEC Diesel Generator?

A: The Price for SDEC Diesel Generator is Negotiation.
