

1500rpm 1800rpm SDEC Diesel Generator Equipment Electric Manual Starting System

Our Product Introduction

for more products please visit us on diesels-generators.com

Basic Information

- Place of Origin: China
- Brand Name: Sdec
- Certification: ISO9001
- Minimum Order Quantity: 1
- Price: Negotiation
- Packaging Details: Wood case
- Delivery Time: 10-15 days
- Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram
- Supply Ability: 1000 pieces per week

Product Specification

- Cooling System: Air/Water
- Starting System: Electric/Manual
- Frequency: 50/60Hz
- Power: 10-1000KW
- Noise: Low
- Voltage: 220V/ 380V/ 400V/ 415V/ 440V/ 480V
- Brand: SDEC
- Control System: Automatic/Manual
- Highlight: **1500rpm SDEC Diesel Generator ,
1800rpm SDEC Diesel Generator**

Product Description

Product Description:

SDEC Diesel Generator - Powerful, Reliable and Eco-Friendly Power Source

SDEC diesel generator is an efficient and reliable power source for industrial and commercial applications. It features a high-performance diesel engine that provides a voltage of 220V/ 380V/ 400V/ 415V/ 440V/ 480V and a speed of 1500/1800rpm. Equipped with an automatic or manual control system, it ensures a stable and reliable operation. It has low noise level and long-term durability, and comes with a 1-year warranty.

The SDEC diesel generator is powerful, reliable and eco-friendly. It is designed to ensure maximum efficiency and optimal performance. It is ideal for emergency power supply, industrial or commercial use. With its superior quality and advanced technology, you can depend on the SDEC diesel generator to provide reliable and safe power wherever you need it.

For powerful, reliable and eco-friendly power source, choose the SDEC diesel generator. With its superior quality and advanced technology, you can rest assured that your power needs are in safe hands.

Features:

Product Name: SDEC Diesel Generator

Fuel: Diesel

Control System: Automatic/Manual

Type: Diesel Generator

Voltage: 220V/ 380V/ 400V/ 415V/ 440V/ 480V

Cooling System: Air/Water

Technical Parameters:

Parameter	Value
Product	SDEC Diesel Generating Equipment/SDEC Diesel Power Generator/SDEC Diesel Generating Unit
Warranty	1 Year
Starting System	Electric/Manual
Protection System	Overload/High Temperature/Low Oil Pressure
Type	Diesel Generator
Frequency	50/60Hz
Fuel	Diesel
Noise	Low
Control System	Automatic/Manual
Cooling System	Air/Water
Voltage	220V/ 380V/ 400V/ 415V/ 440V/ 480V

Applications:

SDEC diesel generator is a reliable, durable and powerful electricity generating unit that is manufactured by SDEC, a leading brand name in China. It has been certified by ISO9001 and is well-known for its low noise, high efficiency and reliable performance. The generator is designed to be used in various applications, ranging from industrial, residential to commercial. The SDEC diesel power generator has a starting system of either electric or manual, and a frequency of either 50/60Hz. It has a cooling system of either air or water, and can be operated automatically or manually. The minimum order quantity for this generator is one, and the pricing is negotiable. The delivery time is usually 10-15 days, and payment terms are available in forms of L/C, D/A, D/P, T/T, Western Union, MoneyGram. The packaging is usually in a wooden case, and SDEC is capable of supplying up to 1000 pieces of these diesel generators per week.

Customization:

SDEC Diesel Generator

SDEC Diesel Generator is a reliable and powerful type of diesel generator. It is manufactured by SDEC, a brand name that is known for its quality and performance. The generator is certified to ISO9001 and is available in a range of sizes from 10 to 1000KW. It has a low noise level and is suitable for both air and water cooling systems. The frequency is 50/60Hz, and the minimum order quantity is 1. Prices are negotiable, and the delivery time is 10-15 days. Payment terms include L/C, D/A, D/P, T/T, Western Union, and MoneyGram. The packaging is a wood case, and the supply ability is 1000 pieces per week.

The SDEC Diesel Generator is perfect for all your power needs. Whether you are looking for a reliable diesel engine generator, diesel generating unit, diesel engine generator set, or diesel power generator, the SDEC Diesel Generator is an excellent choice.

Support and Services:

SDEC Diesel Generator offers technical support and service to ensure that customers get the best experience from their product. Our technical support and service team are available to help customers with any issue or need they may have regarding their SDEC Diesel Generator. We offer technical advice and assistance to help customers troubleshoot any issue or need they may have. Our service team is also available to provide maintenance, repairs, and installation services for SDEC Diesel Generator. We can also provide preventative maintenance and regular updates to ensure that customers get the most out of their product.

Packing and Shipping:

SDEC Diesel Generator's Packaging and Shipping includes:

The generator will be carefully inspected and tested before packaging.

The generator will be securely packaged in an export-grade, weather-resistant, shock-proof carton.

Optional packaging, such as wooden crates or pallets, is also available.

The generator will be shipped via sea freight, air freight, or express courier.

FAQ:

Q1: What is the brand name of this SDEC Diesel Generator?

A1: The brand name of this SDEC Diesel Generator is Sdec.

Q2: Where is this SDEC Diesel Generator made?

A2: This SDEC Diesel Generator is made in China.

Q3: What is the minimum order quantity for this SDEC Diesel Generator?

A3: The minimum order quantity for this SDEC Diesel Generator is 1.

Q4: What is the price of this SDEC Diesel Generator?

A4: The price of this SDEC Diesel Generator is negotiable.

Q5: How long is the delivery time for this SDEC Diesel Generator?

A5: The delivery time for this SDEC Diesel Generator is 10-15 days.
